Social Studies Skills		
SSS1:	Uses critical reasoning skills to analyze and evaluate claims.	
Enduring Understanding – Social studies skills include the ability to consider multiple viewpoints and weigh the validity of those viewpoints by applying an analysis of evidence.		
SSS1.9-12.1.	Critique the precision of a claim about an issue or event.	Writing Workshop: An Informative Essay about Conflict and Settlement Writing Workshop: An Argumentative Essay about the Columbia Basin
SSS1.9-12.2.	Critique the use of reasoning, sequencing, and details supporting the claim.	Writing Workshop: An Argumentative Essay about the Columbia Basin
SSS1.9-12.3.	Explain points of agreement and disagreement that experts have regarding interpretations of sources.	Missionaries and Settlers in the Pacific Northwest Internment and the Constitution
SSS1.9-12.4.	Gather relevant information from multiple sources representing a wide range of views while using the origin, authority, structure, context, and corroborative value of the sources to guide the selection.	Coastal and Plateau Tribes Writing Workshop: An Informative Essay about Conflict and Settlement Writing Workshop: An Argumentative Essay about the Columbia Basin Creating a Multimedia Presentation
SSS1.9-12.5.	Explain the challenge and opportunities of addressing problems over place and time using disciplinary and interdisciplinary lenses.	Reform in the Progressive Era Economy of Washington
SSS2: Uses inquiry-based research.		
Enduring Understanding – The ability to develop questions is the foundation of a rich social studies experience. The next step to initiate an inquiry is the ability to answer those questions by planning how to find reliable and credible answers.		
SSS2.9-12.1.	Create compelling and supporting questions that focus on an idea, issue, or event.	Territorial Government Writing Workshop: An Informative Essay about Conflict and Settlement

Standard ID	Standard Text	Edgenuity Lesson Name
SSS2.9-12.2.	Evaluate the validity, reliability, and credibility of sources when researching an issue or event.	Writing Workshop: An Argumentative Essay about the Columbia Basin
SSS2.9-12.3.	Determine the kinds of sources and relevant information that are helpful, taking into consideration multiple points of view represented in the sources, the types of sources available, and the potential uses of the sources.	Writing Workshop: An Informative Essay about Conflict and Settlement Writing Workshop: An Argumentative Essay about the Columbia Basin Creating a Multimedia Presentation
SSS2.9-12.4.	Explain how supporting questions contribute to an inquiry and how, through engaging source work, new compelling and supporting questions emerge.	Writing Workshop: An Argumentative Essay about the Columbia Basin
SSS3:	Deliberates public issues.	
	Enduring Understanding – Social studies skills include the ability to debate an issue using civil discourse backed with a range of credible sources.	
SSS3.9-12.1.	Evaluate one’s own viewpoint and the viewpoints of others in the context of a discussion.	Writing Workshop: An Argumentative Essay about the Columbia Basin
SSS3.9-12.2.	Apply a range of deliberative and democratic strategies and procedures to make decisions and take action in their classrooms, school, or out-of-school civic context.	Environmental Issues in Washington
SSS3.9-12.3.	Use appropriate deliberative processes in multiple settings.	Creating a Multimedia Presentation
SSS3.9-12.4.	Analyze the impact and the appropriate roles of personal interests and perspectives on the application of civic virtues, democratic principles, constitutional rights, and human rights.	Washington's Constitution
SSS3.9-12.5.	Integrate evidence from multiple relevant historical sources and interpretations into a reasoned argument about the past and its relationship to the present.	Writing Workshop: An Informative Essay about Conflict and Settlement Writing Workshop: An Argumentative Essay about the Columbia Basin
SSS3.9-12.6.	Assess options for individual and collective action to address local, regional, or global problems by engaging in self-reflection, strategy identification, and complex causal reasoning.	Environmental Issues in Washington Creating a Multimedia Presentation

Standard ID	Standard Text	Edgenuity Lesson Name
SSS4:	Creates a product that uses social studies content to support a claim and presents the product in an appropriate manner to a meaningful audience.	
	Enduring Understanding – Social studies skills include the formation of questions, the ability to apply disciplinary knowledge and concepts, gather and evaluate sources, and develop claims and use evidence to support those claims.	
SSS4.9-12.1.	Evaluate multiple reasons or factors to develop a position paper or presentation.	Writing Workshop: An Informative Essay about Conflict and Settlement Writing Workshop: An Informative Essay about Conflict and Settlement
SSS4.9-12.2.	Construct arguments using precise and knowledgeable claims, with evidence from multiple and reliable sources, while acknowledging counterclaims and evidentiary weaknesses.	Environmental Issues in Washington Writing Workshop: An Informative Essay about Conflict and Settlement Writing Workshop: An Argumentative Essay about the Columbia Basin Creating a Multimedia Presentation

Present adaptations of arguments and explanations that feature evocative ideas and perspectives on issues and topics to reach a range of audiences and venues outside the classroom, using print and oral technologies (e.g., posters, essays, letters, debates, speeches, reports, and maps) and digital technologies (e.g. Internet, social media, and digital documentary).	Writing Workshop: An Informative Essay about Conflict and Settlement Writing Workshop: An Argumentative Essay about the Columbia Basin Creating a Multimedia Presentation
SSS4.9-12.4.	Create strategies to avoid plagiarism and respect intellectual property when developing a paper or presentation.	Writing Workshop: An Informative Essay about Conflict and Settlement Writing Workshop: An Argumentative Essay about the Columbia Basin Creating a Multimedia Presentation
	Civics	
C2:	Understands the purposes, organization, and function of governments, laws, and political systems.	

Standard ID	Standard Text	Edgenuity Lesson Name
	<p>Enduring Understanding – Governments are created by a variety of people, for a variety of reasons, and in a variety of ways. There are fundamental differences in what a political system's goals and citizens' expectations are. These governments and institutions are complex and attempt to provide order and rules that guide citizens' actions and behaviors.</p>	
C2.9-10.1.	<p>Explain how citizens and institutions address social and political problems at the local, state, tribal, national, and international level.</p>	<p>State and Local Government in Washington Tribal Government</p>
C2.9-10.2.	<p>Explain the origins, functions, and structure of government.</p>	<p>State and Local Government in Washington Tribal Government</p>
C3:	<p>Understands the purposes and organization of tribal and international relationships and U.S. foreign policy.</p>	
	<p>Enduring Understanding – Issues at any level are complex and affected by many different factors, including governmental structure and laws and customs. Having knowledge of how government works and knowledge of issues leads to informed and effective civic engagement.</p>	
C3.9-10.1.	<p>Analyze the impact of constitutions, laws, treaties, and international agreements on the maintenance of national and international order.</p>	<p>Washington's Constitution</p>
C3.9-10.2.	<p>Analyze relationships among governments, civil societies, and economic markets.</p>	<p>Washington and Global Trade</p>
C4:	<p>Understands civic involvement.</p>	
	<p>Enduring Understanding – Americans, at birth, are granted unalienable rights while at the same time they are charged with maintaining certain civic responsibilities. Rights are outlined in such documents as the United States Constitution. People's responsibilities include voting, paying taxes to support the common good, and participating in resolving issues at the local, state, tribal, and national level.</p>	
C4.9-10.1.	<p>Use appropriate deliberative processes in multiple settings.</p>	<p>The Lewis and Clark Expedition The Great Depression in Washington</p>

Standard ID	Standard Text	Edgenuity Lesson Name
C4.9-10.2.	Analyze how governments throughout history have or have not valued individual rights over the common good.	Internment and the Constitution
C4.9-10.3.	Describe the impact and the appropriate roles of personal interests and perspectives on the application of civic virtues, democratic principles, constitutional rights, and human rights.	Washington's Constitution
C4.9-10.4.	Explain how social and political problems are addressed at the local, regional, state, tribal, national, and international level.	State and Local Government in Washington Tribal Government
Economics		
E1:	Understands that people have to make choices between wants and needs and evaluates the outcomes of those choices.	
Enduring Understanding – People make decisions about how to use resources to maximize their well-being. They do this by assessing their available resources; considering the wants and needs of individuals and communities; and weighing the costs and benefits of various decisions.		
E1.9-10.2.	Analyze how choices made by individuals, firms, or governments are constrained by the resources to which they have access.	State and Local Government in Washington Tribal Government
E2:	Understands how economic systems function.	
Enduring Understanding – People exchange goods and service when both parties expect to gain from the trade. Within each type of economic system, resources, income, technology, government policies, and the interaction between buyers and sellers are analyzed to determine what the best decision is for each country.		
E2.9-10.1.	Explain how a variety of economies have shaped the production, distribution, and consumption of goods, services, and resources around the world in the past or present.	omega standard
E2.9-10.2.	Describe the effects of specialization, availability of resources, and technology on a variety of economies.	Washington and Global Trade

Standard ID	Standard Text	Edgenuity Lesson Name
E2.9-10.3.	Analyze how and why countries have specialized in the production of particular goods and services in the past or present.	The Fur Trade
<p>E3: Understands the government’s role in the economy.</p>		
<p>Enduring Understanding – Governmental fiscal and monetary policies affect a country’s economy and how it trades globally. Governments have to make decisions in order to try to control economic fluctuations to maintain or increase the standard of living for their people.</p>		
E3.9-10.1.	Analyze the costs and benefits of government trade policies from around the world in the past and present.	Washington and Global Trade
E3.9-10.2.	Explain the role of government in advancing technology and investing in capital goods and human capital to increase economic growth and standards of living.	State and Local Government in Washington
<p>E4: Understands the economic issues and problems that all societies face.</p>		
<p>Enduring Understanding – Economic globalization happens when people separated by borders and boundaries trade goods and services. Economic interdependence has a variety of costs and benefits that influence what goods and services are produced and traded.</p>		
E4.9-10.1.	Evaluate how people across the world have addressed issues involved with the distribution of resources and sustainability.	omega standard
E4.9-10.2.	Analyze why specialization is used to help countries increase their overall economy, contribute to globalization, or solve economic challenges.	omega standard
<p>Geography</p>		
G1:	Understands the physical characteristics, cultural significance, and location of places, regions, and spatial patterns on the Earth’s surface.	
<p>Enduring Understanding – The Earth’s physical characteristics have a profound effect on the development of human cultures. Cultural development depends, in a significant way, on the places and regions in which they are located.</p>		

Standard ID	Standard Text	Edgenuity Lesson Name
G1.9-10.1.	Define the characteristics of each of the major world regions.	Geography of Washington
G1.9-10.2.	Explain the causes and effects of voluntary and involuntary migration in the world.	Immigration and Migration in the Progressive Era
G1.9-10.3.	Create maps that employ geospatial and related technologies to display and explain the spatial patterns of culture and environment.	Geography of Washington
G1.9-10.4.	Explain relationships between the locations of places and regions, and their political, cultural, and economic dynamics, using maps, satellite images, photographs, and other representations.	Geography of Washington
<b>G2: Understands human interaction with the environment.</b>		
Enduring Understanding – There is an interconnectedness between humans, other living species, and our physical environment that can be understood by considering the role the ecosystem plays in shaping the development and interactions of human history, governments, cultures, resource use, and technologies on a local, national, regional, and global scale.		
G2.9-10.1.	Analyze human interaction with the environment across the world in the past or present.	Geography of Washington The Fur Trade Environmental Issues in Washington
G2.9-10.2.	Explain how humans modify the environment with technology.	Industrialization and Its Impact in Washington
G2.9-10.3.	Explain that the environment is modified through agriculture, industry, settlement, lifestyles, and other forms of activity.	Industrialization and Its Impact in Washington Immigration and Migration in the Progressive Era
G2.9-10.4.	Explain that humans cope with and adapt to environmental conditions.	Geography of Washington
<b>G3: Understands the geographic context of global issues and events.</b>		

Standard ID	Standard Text	Edgenuity Lesson Name
<p>Enduring Understanding – Geographic elements affect global issues such as the distribution of wealth and technology, the prevalence of war and disease, and the enforcement of human rights and environmental protection.</p>		
G3.9-10.1.	<p>Define how the geography of expansion and encounter have shaped global politics and economics in history.</p>	U.S. Settlement of the Puget Sound Region
G3.9-10.2.	<p>Analyze the reciprocal nature of how historical events and the spatial diffusion of ideas, technologies, and cultural practices have influenced migration patterns and the distribution of human population.</p>	Industrialization and Its Impact in Washington Immigration and Migration in the Progressive Era
G3.9-10.3.	<p>Evaluate the consequences of human-made and natural catastrophes on global trade, politics, and human migration.</p>	Environmental Issues in Washington
<p>History</p>		
H1:	<p>Understands historical chronology.</p>	
<p>Enduring Understanding – The study of political, social, and economic patterns reveals the ideals, beliefs, innovations, and institutions of people, and how they change over time.</p>		
H1.9-10.1.	<p>Analyze change and continuity within a historical time period.</p>	The Post-War Era in Washington
H1.9-10.2.	<p>Assess how historical events and developments were shaped by unique circumstances of time and place as well as broader historical contexts.</p>	The Fur Trade Immigration and Migration in the Progressive Era The Post-War Era in Washington
H1.9-10.3.	<p>Design questions generated about individuals and groups that assess how the significance of their actions changes over time.</p>	The Lewis and Clark Expedition
H2:	<p>Understands and analyzes causal factors that have shaped major events in history.</p>	
<p>Enduring Understanding – Historians examine cause and effect to see relationships between people, places, ideas, and events. Causes include social, political, economic, and geographic factors.</p>		

Standard ID	Standard Text	Edgenuity Lesson Name
H2.9-10.1.	Analyze how individuals and movements have shaped world history (1450-present).	Coastal and Plateau Tribes The Lewis and Clark Expedition Territorial Government Reform in the Progressive Era Washington's Labor Movement World War II and Washington
H2.9-10.2.	Summarize how cultures and cultural and ethnic groups have shaped world history (1450-present).	Coastal and Plateau Tribes Coastal and Plateau Tribes Missionaries and Settlers in the Pacific Northwest Immigration and Migration in the Progressive Era
