### VIRTUAL OR ALTERNATIVE SCHOOLS

*Imagine Edgenuity courses are the primary/only courses offered and the school has no previous NCAA approval in place*

- Rigorous, research-proven curriculum provided by Imagine Edgenuity
- In addition to regular instruction, on-demand tutoring is available to students 7 days a week
- Must submit a full account review

### Imagine Learning's Certified Teachers

Highly qualified, state-certified online instructors provide:

- Synchronous instruction via chat, phone, and web meetings
- Written feedback on students' work
- Reteaching of concepts when students are struggling
- Regular communication with school, staff, and parents

## Additional information:

- NCAA accepts Imagine Edgenuity's state-specific and honors versions of core courses.
- Further course customization may result in an NCAA review to ensure that they are equivalent in length, content, and rigor to face-to-face courses.
- Curriculum is only one element in determining NCAA eligibility — additional elements are grounded in how courses are implemented at your school.
- To view Imagine Edgenuity's list of NCAA-approved core courses, visit the NCAA Eligibility Center and enter our school code: 850147

For more information on these guidelines and other NCAA requirements for nontraditional courses, please contact Imagine Edgenuity or the NCAA Eligibility Center.
